Health Attack

Being extra cautious of their health condition, SNPF went on the field for a bit of exercise after some critical facts were revealed during an NKF clinic with the Fund.

The staff enjoyed various sporting activities at Samoa College field Saturday (May 14, 2011), as they were divided into four teams — Masimasi, Malauli, Fugausi and Avaava vying for first place.

Many enjoyed the change from the usual office setting, as they not only had fun but it also provided an opportunity to work off that excess weight.

Some symptoms revealed by the NKF as indicators to visit the doc for a kidney check up:

- ◆ Frequent Headaches
- ◆ Tired often
- ◆ Puffy eyes in the morning
- ◆ Vomiting frequently
- ◆ Shooting Back pain
- ◆ Loss of appetite .etc
